PROFILE

I am a student who is responsible, disciplined, and committed to continuous learning. I have experience in the veterinary field, where I have developed skills in organization, respectful interaction, teamwork, and attention to the needs of each task. I stand out for my punctuality, positive attitude, empathy, and ability to adapt to new challenges, always aiming to perform with seriousness and dedication.

WORK EXPERIENCE

Dec. 2025 - Jan. 2026
Alta Gracia, Argentina

Veterinary Assistant - Red Norte S.A.S
I carried out tasks related to cattle insemination, including semen thawing from different bull breeds, handling intravaginal devices for estrus synchronization, and using a data collection device to record the cows' status in a database.
